

Behavior Guidelines

PCA Theater Camp is meant to be a safe and inclusive camp. We want ALL campers to feel safe and comfortable. In this regard we ask that you read to your child appropriate behaviors for summer camp,

Kindness counts

Your words have meaning

Your actions are appropriate and gentle at all times (Fighting of any sort will result in immediate dismissal without refund).

No Electronics during camp hours, unless specified by an instructor or counselor

Cell phones and other electronic devices are to be turned off and remain in backpacks at all times during camp hours, unless in an emergency situation.

We expect nothing but fun and frolicking for all of our campers. However, we do know that on occasion there may be behaviors that need to be addressed. We will do this in a kind and direct manner.

Should the behaviors continue, PCA staff members will contact the parent/guardian to discuss any and all issues regarding the situation. If all reasonable attempts have been made and PCA staff determines they do not resolve the issue within our guidelines; PCA reserves the right to dismiss the camper from the remainder of camp.

In the unlikely event a dismissal occurs within the first week, PCA will refund camp fees up to 25%.
